To ensure that transportation services will be provided in a safe, efficient and cost-effective manner, all drivers must comply with the following requirements:

1. The driver must be at least 21 years of age to drive for business purposes and age 25 if transporting students, possessing a valid California driver's license, and have been continuously licensed for a minimum of 3 years.
2. Driver must be free of any medical condition that may affect his/her ability to operate a vehicle.
3. No alcohol or drugs will be consumed prior to, or while operating the vehicle.
4. The number of passengers shall not exceed the capacity for which the vehicle was designed.
5. No one may transport more than nine passengers plus the driver in any vehicle.
6. Transportation is limited to District business and/or transportation of students and approved chaperones for educationally based activities, sports and field trips.
7. All occupants must wear seat belts whenever the vehicle is in motion.

13. District policy. The Los Molinos Unified School District reserves the right to require a current K-4 Drivers Record / Motor Vehicle Report (MVR) and/or accident reports for determination of driver eligibility.
